**Objet : Votre demande d'accès à l'information – Conclusion**

Bonjour,

Par la présente, nous souhaitons répondre à votre demande d'accès à l'information datée du 24 septembre 2024 visant à obtenir :

- ... « La liste de tous les logiciels informatiques utilisés par votre organisation »...

Par courriel en date du 26 septembre 2024, vous nous confirmiez que votre demande « vise les logiciels installés sur les postes de travail et les systèmes d'information d'entreprise que vous (le CIUSSS de l'Estrie-CHUS) utilisez ».

Également par courriel en date du 2 octobre 2024, vous nous informiez que votre demande visait plus spécifiquement : - *La liste de tous les logiciels de gestion de données utilisés par votre organisation.*

Nous vous prions de trouver, en pièces jointes, une extraction de données correspondant à l'ensemble des logiciels installés sur les différents postes informatiques conformément à la *Loi sur l'accès aux documents des organismes publics et sur la protection des renseignements personnels.*

Nous ne pouvons toutefois filtrer la liste pour ne référencer uniquement que les logiciels de gestion de données.

Bien que cette liste ne réponde que partiellement à votre demande, il s'agit d'une liste des produits et versions de logiciels la plus précise que nous sommes en mesure d'extraire conformément aux articles 1 et 15 de la *Loi sur l'accès aux documents des organismes publics et sur la protection des renseignements personnels.*

*1. La présente loi s'applique aux documents détenus par un organisme public dans l'exercice de ses fonctions, que leur conservation soit assurée par l'organisme public ou par un tiers. Elle s'applique quelle que soit la forme de ces documents: écrite, graphique, sonore, visuelle, informatisée ou autre.*

*15. Le droit d'accès ne porte que sur les documents dont la communication ne requiert ni calcul, ni comparaison de renseignements.*

En conformité avec l'article 51 de la *Loi sur l'accès aux documents des organismes publics et sur la protection des renseignements personnels*, nous vous informons que vous pouvez demander la révision de cette décision auprès de la Commission d'accès à l'information. Vous trouverez, ci-joint, une note relative à l'exercice de ce recours.

Nous vous prions d'agréer nos salutations distinguées.
